Later that day, he will make an appearance at the traditional Mayweather family postfight barbecue, where, if history holds, he will watch a portion of the fight before those eyes start glancing toward the door.

This disclaimer of yours: “this article is for people who have a desire to quit playing video games (or want to help someone they know who is addicted.) If you aren’t looking to quit, then this article is not for you.” is nowhere near adequate, because the rest of the article is
a 1-sided argument (and I’m being generous here) that completely bashes video games in every single way.
