Several flood protection measures are being put in place during the project, which will run from 2014 to 2019, including river deepening, the construction of dikes, a bypass, locks, floodgates and an 'inlet' to the bypass.

PARIS—At least one of the attackers outside France’s national soccer stadium had a ticket to the game and attempted to enter the 80,000-person venue, according to a Stade de France security guard who was on duty and French police.

Fueling Mirta’s melancholy are memories of her other reality: childhood in a small city in the middle of the island, one of those provincial outposts with rows of one-story colonial houses spreading out from a central plaza.

I accepted an invitation to spend part of the weekend with the Navy aboard the USS Theodore Roosevelt, a nuclear-class aircraft carrier, as it conducted training off the eastern seaboard of the United States.

Thus, early reformers lost the argument against the public safety agenda, but gained more explicit procedures and a detention-decision mechanism that responded more to due process concerns, and a system that did not authorize confinement on the basis of cash.
