red seal sleep easy

Sometimes you smoke for comfort: "Smoking helps me relax," or "I don't feel as angry when I smoke." Sometimes it seems to make a social situation more enjoyable: "I like to smoke when I'm out having coffee with a friend or when drinking at a party." At other times, you smoke out of habit: "I light up as soon as I get in the car," "I smoke when I'm taking a break at work" or "Because I am so used to smoking, I feel uncomfortable without a cigarette in my hand."
